MEMORANDUM FOR: Distribution

FROM:

Director, Community Counterintelligence and Security
Countermeasures Staff

SUBJECT: 1987 National Multidisciplinary Counterintelligence
Production Register

REFERENCE: Memo, subject: National Counterintelligence Production
Register, dated 16 April 1980

1. The next edition of the National Multidisciplinary Counterintelligence Production Register is scheduled for publication in June 1987. Addressees are requested to submit updates to this office of their agency's previous Register submissions by 15 May 1987.

2. It is not necessary to resubmit existing entries; however, documents not included in earlier editions of the Register and deletions or corrections should be submitted in accordance with the procedures disseminated by the referenced 1980 memo. As a reminder, please ensure that each entry which you wish to add, update or delete is so marked and includes information on the following categories: originating agency; document title; serial number or identification; date that the report was or will be published; specify the country collecting CI information as well as the target(s) of that collection; a short narrative or description of the report; and, classification of the report itself. A sample format is attached.

3. You are also requested to closely review the utility of continuing to list those documents published before 1980. While many reports dated before 1980 may still be of significant value, it is possible that some publications issued in the 1970s could now be deleted from the Register.

4. Comments or questions regarding the Register should be addressed to
